Nursery Admissions

Admissions to our school nursery must be arranged by contacting the school before your child turns 3 so you are on our contact list. Please note this is not the application and does not mean you have a place in our nursery. The year before your child turns three we will send out the admissions paperwork which you must complete fully and return to school to request a place at the nursery.

A copy of the most recent admissions criteria are on the school website:

http://www.edgewoodprimaryschool.co.uk/sites/default/files/nursery_admission_protocol.pdf.

Further information is contained in the Nursery Admission Protocol above or contact the school for further information.

School Admissions

For any other child you can call the school for a visit and a tour around the school but formal admissions need to be completed with Nottinghamshire County Council. They can be contacted via the county council webpage at: <http://www.nottinghamshire.gov.uk/education/school-admissions> or by calling 0300 500 8080 and asking for school admissions.
