Dear Parents/Carers,

Requirements over Easter.

As a school we have been asked to be available to provide provision for Key Worker children during the two weeks of 'Easter holidays.'

We are asking that you contact school to let us know of any requirements you will need for the weeks commencing 6th April and 13th April. If you could also advise the times during the days you need, that would be great.

We are asking that you contact school by 5pm on Friday 27th March 2020, either by phone on 0115 956 1337 or email office@edgewood.notts.sch.uk so that we can appropriately staff this if the provision is required.

Yours faithfully,

Sally Adamson
School Business Manager
