

Edgewood Primary School

Building skills and values for life

At Edgewood Primary, we strive to ensure that all children in our school develop the skills and values that will make them successful, life-long learners.

Edgewood Primary School

Building skills and values for life

At Edgewood Primary, we strive to ensure that all children in our school develop the skills and values that will make them successful, life-long learners.

Encouraging Values and Attitudes for Living	Providing Skills for Life
<ul style="list-style-type: none">• Determination to succeed• Ambition for their own success• Facing challenges with resilience• Developing an inquisitive nature• Guided by a moral compass• Reflective about achievements• Demonstrate respect for themselves and for others in our community	<ul style="list-style-type: none">• Secure literacy ensuring confident reading, writing and communication skills• Strong numeracy skills for work and leisure• Digital capability in an ever-changing world• Strategies for problem solving in a range of contexts

How we use this in school

In our school we use our RAPS (Respectful, Ambitious, Proud and Safe) sheet to frame most discussions with our children and we feel these link well to the more detailed document above.

The values and skills remain part of our school ethos and are used to help frame our Achievers each week alongside the RAPS.

The tree on the first page is displayed at the centre of our Achiever's Display in the Gallery.
