Dear Parents/Carers,

Free School Meal Provision during lockdown

The recent Government guidance asks schools, "To provide food parcels or meals to eligible children." Vouchers are only to be used if this isn't possible.

As our kitchen is open, we are pleased to advise that we will be providing weekly food boxes for children who are eligible for means-tested free school meals.

These boxes will contain a selection of items including bread, cheese, baked beans, cold meats, milk, fruit and vegetables to the value of £15 per child per week.

School will have these ready to be collected on Thursday/Friday each week and this week's box will be double as there was no provision last week.

In order to confirm you wish to receive these boxes please email office@edgewood.notts.sch.uk with your child's name and class by **4pm Tuesday 12th January 2021**.

Please note, if we do not receive a response form you we will assume you do not require these boxes.

Yours faithfully,

Ed Seeley
