Wednesday, 10 February 2021

Dear Parents/Carers,

Free school meal vouchers

During next week's half term break, the National Voucher Scheme will not operate. However, Nottinghamshire County Council have already committed to fund vouchers for all children eligible for means tested Free School Meals. This will be £15 for a school aged child and £10 for younger children eligible for EYPP. These vouchers will be issued by WONDE (as they were in the Christmas holidays).

When we return from half term, the EDENRED scheme will not open for us to place orders until Tuesday 23rd February. The system is currently closed for orders after 12th February. This means that we will not be able to send vouchers for week commencing 22nd February until Wednesday 24th February at the very earliest.

If you experience any difficulties with WONDE vouchers, please contact school before we close at 4pm on Friday 12th February 2021.

Yours faithfully,

Ed Seeley

Headteacher
