

Edgewood Primary School

Building skills and values for life

A message from Edgewood Primary School's Governing Body

As a governing body we know how hard the pupils and staff at Edgewood are working now and have done through this pandemic.

If you would like to send our staff and children words of encouragement and/or thanks during this difficult time then please send them via email to vmccormick@edgewood.notts.sch.uk. The school governors will then collate all these and present them to the staff and school.

Thank you for everyone who contributes. I am sure your positive message will really boost staff and pupil morale at the end of a very difficult year for everyone.

Yours faithfully,

Vicki McCormick (Chair of Governors)

Paul James (Vice Chair)

Chris Blount

Femi Odubore

Lisa Waplington

Louisa Clark
