

# KS1 Newsletter - Spring 2

Welcome to our half termly KS1 newsletter where we keep you up to date with key dates and other important information.

We have had a fantastic end to the first spring half term with all children engaging with the topics we have covered.

Attached to this newsletter is our medium term planning which should allow you to stay up to date with what your child is learning each week.

## Key Dates:

### **Parent's evenings:**

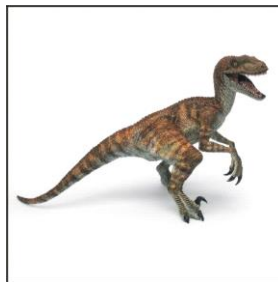

Monday 20<sup>th</sup> March 2017

Wednesday 22<sup>nd</sup> March 2017

### **Year 1 Phonics Screening Check:**

Week beginning 12<sup>th</sup> June 2017

## Topics for the next half term:

This half term we will continue our topic 'Past, Present and Beyond.' Children in all three classes have thoroughly enjoyed learning about Space. We will be moving on to learn about Dinosaurs next half term which we are sure the children will be excited about.

Over the half term break your child could research a particular dinosaur, or create something dinosaur related and bring in what they have done to share with the class.

## How to help your child's learning at home:

- Read at least 3 times a week at home.
- Practise their spellings with them.
- Help them to learn their number bonds and times tables.
