Dear Parents/Carers,

Year 5/6 Residential Visit, Staffordshire

Following advice from the Department for Education we need to reschedule the proposed visit planned for 12th October 2020 to the spring term of 2021.

We have arranged an alternative date for the visit **15th - 19th March 2021**.

We will provide more information and updated payment schedules in the autumn term.

However, if the new date is a cause for concern, please contact school as soon as you are able in September via email to office@edgewood.notts.sch.uk

Kind regards,

Iain MacLeod
