## Blue Peter reading badge

Dear Parents/Carers,

Your child will soon be bringing home an application form for your child to receive a Blue Peter reading badge. At Edgewood Primary School we are continuously working to encourage our children's love of reading and this is an exciting opportunity; we would love to see as many of you apply as possible!

Please complete the form you will have received from school (this is open to children aged 5-15) and return to school **with your child's details completed and the parental consent section signed and ticked**. We will then send these off to Blue Peter and eagerly await the arrival of your child's badges! Every child who completes the form will be given 5 bonus house points.

Many Thanks,

Miss Hislop

English Lead
