

My new class is **Morado**

Hello, my name is **Mr MacLeod** .
I will be your teacher.

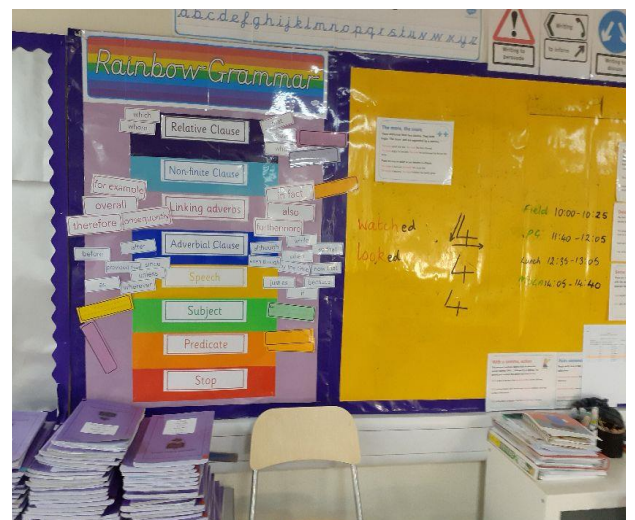

This is morado classroom.
Morado is **purple** in Spanish
so the door and chairs are
purple.

You will have a tray, where you
can keep your pencil case,
reading book and work.

Our classroom has a smart board,
books, working walls, trays for your
school things, a map of the world
and lots of equipment to help you
have fun with learning.

In Year 5 & 6, we try to do some
of our work **independently**. For
some lessons, you may work with
the teachers in **rojo** (red) and
azul (blue) classes.

You will **enter** through this door and **leave** this way at the end of the school day. It is also where we **line up** after playtime and lunch break.

This is where we hang our **coats** and **PE kits**. You will have a hook with your name on it.

You will use these **toilets**. Remember to wash your hands carefully!

In morado class, we try to be **respectful**, **ambitious**, **proud** and **safe**. I am looking forward to seeing you all in September.
