

My new class is Rojo

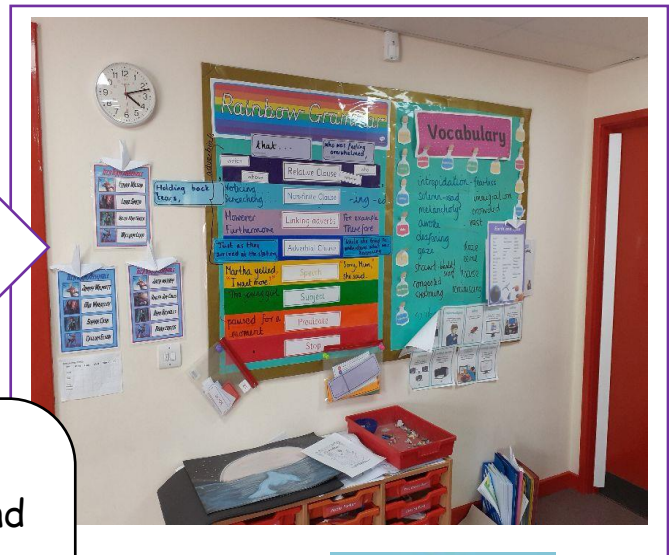

Hello, my name is Mrs Knight .
I will be your teacher.

Rojo is Spanish for Red so our chairs, trays and doors are the same colour. Something that will be very helpful as there are 3 ways of getting into our classroom!

At the beginning of the year, we give you your own set of resources such as pencils, pens and pen packs. These are yours to keep with you and to take with you to different groups and classes.

Our classroom has a smart board, books, working walls, trays for your school things, a map of the world and lots of equipment to help you have fun with learning.

Moving classes can feel like a big change, there will be new routines and expectations but we are always here to help you make this transition as easy as possible. If you have questions, always make sure you ask them.

We enter and leave school by this door each day. Also, we line up here after playtime and lunch break.

This is where we hang our coats and PE kits.

You will use these toilets.

In Year 5 and 6, we aim high, we respect each other but most importantly, we always do the best we can. I am looking forward to meeting you all in September.
