Dear Parents/Carers,

Due to the ongoing pandemic, we are unable to offer an in-house KS1 Christmas nativity performance to parents/carers. However, we understand the value of children being able to take part in a live performance. Therefore, this year, we are performing our traditional nativity virtually, which we will be live streaming on Microsoft Teams.

Our nativity this year is called 'A Happy Clappy Nativity', and retells the traditional Christmas story through rhyming prose, with a few fun songs along the way!

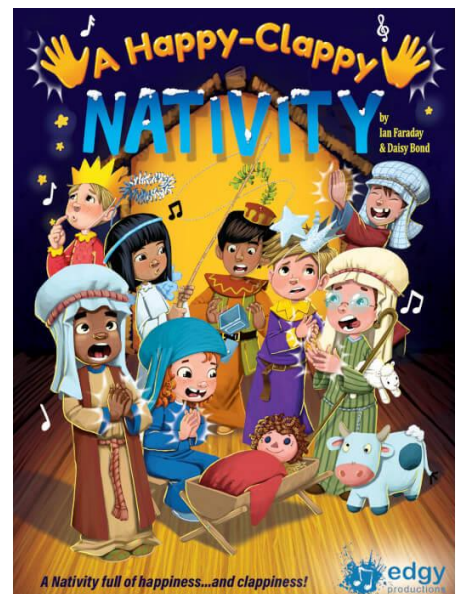

The live performance will start at **9:45 a.m. on Wednesday 15th December** and can be accessed via the link below. We also intend to record the performance for those parents/carers who are unable to attend virtually at the 'live' time. The recorded performance will be uploaded to Seesaw later that day. Please ensure that your microphones are on mute and that your camera is turned off to help the performance to run as smoothly as possible. **Please also ensure that you do not share the performance on any form of social media.**

We hope to see you there, and we hope you enjoy the show!

Many thanks,
