School Tree House – Positive Play

Our Treehouse is now fully up and running and children are benefiting from 1:1 sessions with a Play-worker to develop a wide range of skills through play. Miss Shelton and the Positive Play Team are always looking for games that may be useful in these sessions. With Christmas approaching, we are asking for any unwanted games your children may no longer play with that you would be happy to donate. Games such as Marble run, Lego, Connect 4 or any of the Orchard toy range that are still in excellent condition - the list is endless. If you feel you can help, please take donations to the office or if you are unsure of what we are looking for, please just pop into the office and ask for Miss Shelton.

Year 5-6 Residential

Our Year 5/6 children have been on their residential trip at Kingwood this week. They have had an amazing week, doing a whole host of activities, from zipwires, to archery, abseiling, den building, outdoor laser tag and fire starting. I think it is safe to say they will all be in need of a good bath and an early night.

Parents Evening

Just a little reminder that parents evening for all classes except Red and green class, will be held on Monday 13th November between from 3pm-5.30pm, and Thursday 16th November from 4pm-7.00pm. If you have not yet requested a slot can you please either return your slip to your childs class teacher or speak with them ASAP. This is an excellent opportunity to see how your child has settled into their year and discuss any concerns you may have.
