

Edgewood Primary School

Building skills and values for life

Friday, 4 May 2018

Dear Parents/Carers,

[Congratulations to Azul class for gaining 99.62% attendance this week](#)

Vocabulary Ninja

This week's words were:

EYFS

minibeasts reports
creatures welfare
insects

Grasshopper (KS1)

thief echo
tasteless feast
waddle

Shinobi (KS2)

undulate dissipate
heed facetious
pungent

Staff illness

As parents in our year 1/2 classes will know, we currently have a number of members of staff off ill within that team. Our aim at all times is to maintain a consistently high level of teaching throughout our school. We try, wherever possible to use familiar supply teachers for continuity for the children. Miss Theoharous has been in Yellow Class for a number of weeks. Unfortunately, she is due to go on a three-week holiday from next week. We work really hard to get the best quality teaching for every child's class so they know our school expectations. We liaise closely with supply agencies to ensure their staff meet our very high expectations. We issue each supply teacher with a comprehensive handbook to ensure they are aware and able to uphold our policies. All of this is put into place to minimise disruption to the children and we thank you for your support during this time.

Respecting our Neighbours

Once again, we would like to remind anyone picking up, dropping off or visiting school to be mindful of the residents around school. Please do not block access to driveways and please do not sit on resident's walls, fences or stroll across their grass. We have this week received a number of complaints about parking and the other issues mentioned. We all have to share the public area and the communal parking. Therefore, we need to be mindful and respectful of residents and their need to park as well. Many thanks in advance for this.

Class Photo's

SAY CHEESE!

We will be having class photographs taken on Thursday 24th May 2018. If your child is in nursey, morning children will have theirs taken in the morning, afternoon children will have their taken in the afternoon. Children who attend nursery all day will have theirs taken in either the morning or the afternoon shoots.

As well as the class photo's, this year we will be having a group photograph of the Sports Captains. If your child is a sports captain please ensure they are wearing their badge on the 24th May 2018. Many thanks.

Change to Catering Supplier

I am pleased to say that this weeks change in catering suppliers has been successful. The new suppliers are Coombs Catering Partnership and all the children seem to be enjoying the meals. There will be many exciting changes to the menus which will start in the new academic year.

Computer Game Fortnite

As you will be aware from previous newsletters, many of your children will be playing the computer game Fortnite at home. You will also be aware that this game has the potential to put the children playing it at risk. The NSPCC has developed very parent friendly guide on their website detailing all you need to know about the risks of this game. These can be found at <https://www.net-aware.org.uk/news/fortnite-all-you-need-know/>.
