improve submarine  
report flipper  
confident

#### **Grasshopper (KS1)**

sprinkle fiery  
coop blunt  
swine

#### **Shinobi (KS2)**

obnoxious pathetic  
tyrant flamboyant  
voracious

### Year 5/6 Football Tournament

Our year 5/6 football team came away from the Next Level Sports interschool tournament victorious on Wednesday. We went to Hawthorne Primary School and the team played exceptionally well. We were the winners of the tournament with Alfie Gaine was awarded the player of the tournament. Well done to the whole team!

### Change to Lunchtime Menu

To celebrate the forth coming World Cup Football tournament in Russia, we will be having a Russian themed menu on Thursday 14<sup>th</sup> June 2018. The lunch will be as shown in the picture.

Should your child wish to have a school, you just need to follow the usual school meal process of paying £2.30 on to their Squid Account and getting your child to advise their teacher on the day that they are a school dinner.

### YMCA Childcare – STEM Learning

Introducing STEM learning at YMCA childcare

We have been working away behind the scenes at YMCA childcare. We are looking to make our additional skills sessions a permanent feature at our After School Club for pupils of Edgewood Primary and Nursery School. We are planning to incorporate more STEM (science, technology, engineering and math) and curriculum-based learning into the activities that we deliver, as well as outdoor exploration, sports, cooking, and arts and crafts!

The children will take part in exciting and engaging activities where they could learn something new that sparks their imagination. We will spend time discussing what careers could be available within these fields. We want to inspire young people and to show them what is possible for themselves and what they could achieve in their own future careers.

To learn more about the STEM curriculum and to book Before and After School Clubs, call 07398364384 or email [childcare@nottsymca.org](mailto:childcare@nottsymca.org)
