Welcome back! We hope you have all had a great Easter break and a good start to the new summer term. We are looking forward to a warm and busy term with lots of things to keep you updated on.

### Respecting our Neighbours

Once again, we would like to remind anyone picking up, dropping off or visiting school to be mindful of the residents around school. Please do not block access to driveways and please do not sit on resident's walls, fences or stroll across their grass. We have this week received a number of complaints about parking and the other issues mentioned. We all have to share the public area and the communal parking, therefore we need to be mindful and respectful of residents and their need to park as well. Many thanks in advance for this.

### School Meal Price Increase

Please remember that the cost of a school meal is now **£2.30**. This is for a nutritionally balanced hot 2 course meal. Can we please ask that if you have not taken this 1p price increase into account when paying for your child's meals this week on sQuid, that you add the increase so that the account is not in arrears.

### Coats & Cream during this unpredictable weather

Can we please ask that during this variable weather children, especially the younger ones, have a coat in school. Even if the weather is forecast to be hot and sunny, it can sometimes drop cool during the day. If this is the case, children will still be going outside. If it is dry and would benefit from a coat if it has dropped cool. Also on our warmer days the children need to have a sun hat and have had sun cream applied.

### Change to Catering Supplier

I am very excited to advise you that from 1<sup>st</sup> May we will be changing catering suppliers. The new suppliers will be Coombs Catering Partnership. There will be many exciting changes to the menus which will start in the new academic year.
