### **Parking around school**

Can we please remind you not to park on private parking areas off Christchurch Road (Field Avenue and School Avenue). These are private parking areas for residents only and not to be used as drop-off or pick-up points by school users.

We have also had reports of aggressive behaviour between residents and school users. The school will not tolerate this and will fully support the police in taking action against anyone found to have done this.

Residents have been advised to call the police to report any trespass, physical or verbal violence and the school will support the police with any enquiries.
