

# Edgewood Primary School

## Building skills and values for life

Friday, 9 October 2020

**Congratulations to Green Class for a weekly attendance of 100%**

### **Mr Moss**

We start the newsletter this week with an announcement from Mr Moss:

*Dear parents, carers and children, having worked at Edgewood since 1990, I have enjoyed a long and happy time at our school. However, I am now ready for new challenges so I will be retiring at the end of this term (December). I will miss the great atmosphere of our school, especially the pride children and staff share in working together to achieve their best. I have learnt so much from my time at Edgewood, and I know that moving on will be difficult after 30 years. Edgewood will always have a very special place in my heart and I would like to thank you for all the happy memories I will take with me.*

*Mr Moss*

I am sure you will all join me in wishing Mr Moss every happiness in his retirement, and wish him well with all the new adventures I know he will be embarking on in the New Year.

### **#Hello Yellow**

Thank you for helping us raise awareness of young people's mental health by sending your children to school in yellow today. It has been great to see the school looking so bright in a sea of yellow. Young Minds is a much needed, and used charity that help young people suffering with their mental health. Should you feel your own young people are suffering and need help they can be contacted via the parent line on 0808 802 5544 between 9.30 & 4pm Monday to Friday.

### **Outside Shelters**

You may have noticed earlier this week, that our shelters were not there to help children shield from the weather. Unfortunately, the shelters have been vandalised and we are in the process of ordering some more, these will however take a few weeks to arrive and be erected. In the mean time I would ask that all children come to school with a suitable coat so that should the weather turn whilst they are at school, they will be suitably protected and warm. Please bare with us whilst this situation is rectified.

Ed Seeley  
Headteacher
