Welcome back

It has been so good to see all the children back in school over this last week and a bit. The children have settled in fantastically and I would like to thank you all for helping with the timings around drop-off and pick-up which has really helped to ensure children have a calm and orderly start to the day.

Thank you as well to all of you who have continued to wear masks on and around the school grounds. Can I please remind you that masks are required for anyone coming inside the school fence-line but we would recommend you wear them all around school as many of the paths are very congested at the start and end of the day.

Full details of the school's covid arrangements under the current guidance are [available on our website](#).

Congratulations to Verde Class for attendance of 99.05% for the first week and a bit of school last week.

Weekly Class Achievers

On Monday we will be celebrating the following children for being the class weekly achievers.

Nursey & Reception		Years 1 & 2		Years 3 & 4		Years 5 & 6

<u>Green</u>	Harriet S	<u>Orange</u>	Jaxon	<u>Rosa</u>	Katie	<u>Rojo</u>	Lexie

I am sure you will join me in congratulating the children above on their amazing achievements this week.

Special Achievement Award

On Thursday, 9th September 2021, Mrs Moore reached and incredible milestone that few have achieved; 30 years of working at Edgewood Primary School! Mrs Moore has touched many children's lives during her 30 years here and I know some of you will remember being taught by her during this time, and your own children and grandchildren may now even be being taught by her. On Friday we celebrated this achievement in an assembly with all the children and staff. We are sure you will join us in congratulating this momentous occasion. Well done Mrs Moore.

School Meal Ordering

Should you wish your child to have a hot school meal this should be ordered via the ipayment system. You have until the Sunday evening to book the meals for the following week. Meals cost £2.30 for children in Nursery and in Year 3 to Year 6 and are free for children in Reception to the end of Year 2. Please visit our website for an up to date menu.

Bikes and Scooters in and around school

It is lovely to see so many children arriving to school on their bikes and scooters. If your child is using their bike or scooter can you please ensure the correct safety equipment is worn (Especially helmets on bikes). Can you also please ensure that they are riding their bike sensibly at all times in and around the school site or they will not be able to carry on using them. Please speak to them about getting off their bike and wheeling it in through the gates and on crowded paths as we have had a few near misses when older children have been riding bikes at great speed around school.
