## Newsletter

We have all had another a busy week in school again with transition visits for new nursery and Reception children. The Year 1/2 children had a great time exploring on the National Coal Mining Museum trip. Well done Miss Hislop and team – and thank you to all the parents that volunteer their time so that we can safely run these events.

Ed Seeley,  
Headteacher

## **National Coal Mining Museum trip**

On Wednesday the KS1 children visited the National Coal Mining Museum as part of their local history unit. All the children were brave enough to venture down underground to experience what a real coal mine would have been like. There was a lot of excitement crawling through tunnels and seeing the reality of what it would have been like for children and adults who worked in the mine. The children's behaviour was excellent and everyone had a fantastic day!

## **School Reading Books & Ice Packs**

Can we please ask that you all have a good look around at home and return any school books you have before we break up for the summer. If your child has come home with any school ice packs after an injury, please can you return those too. Thank you.

## **School accreditation**

We are excited to announce that we have earned our accreditation for this year again as a 52 Lives School of Kindness. If anyone has any ideas or suggestions for any community projects that the Kindness Ambassadors could take part in next year, please let us know!
