This Weeks Sports Report

The children across school compete in the active challenges every month against other schools in Ashfield. In February, our Sports Captains ran a basketball dribble challenge at lunchtime for our children in KS2. The results are in, and both our Year 3/4 and Year 5/6 children were crowned winners in their events. A huge well done to all children who took part! Can we be crowned champions again in March?

School Dinners

On the 17th March, we will be holding a themed menu to celebrate St Patrick's day. Should your child wish to have a school dinner on this day, please order in the usual way by Sunday 13th March. Details of the menu can be found below.

Comic Relief

Next Friday is Red Nose Day but alongside supporting this charity, we will be asking the children to wear blue and yellow to show our support for the people of Ukraine.

On Friday 18th March, we are collecting sleeping bags or emergency blankets to support the #Sleep1000 mission to send thermal blankets and sleeping bags to refugees fleeing the conflict.

If anyone can't make a physical donation, please make whatever donation you are able to either the groups crowdfunding website, [Crowdfunding to Sleep1000 - Supply 1000 Sleeping Bags To Ukrainian Refugees in Krakow on JustGiving](#)

Or to the governments DEC appeal, [Ukraine Humanitarian Appeal | Disasters Emergency Committee \(dec.org.uk\)](#)

Any donations to Red Nose Day can be made here, [Donate | Comic Relief](#)

Complaints from Residents

Once again, we have taken calls this week, from residents about the behaviour of both our parents and children waiting to come into school. Can we please ask, that you do not sit on the residents walls whilst you wait for your children's gate to open. These walls are private property. In addition to this one resident has had rubbish thrown in their garden, and a particular parent is using the residents drive (without permission), to park their car whilst they drop their children off. This has prevented them from getting their car out of their garage and made them late for work on more than one occasion.

Can you please make sure you are respecting our resident's property and refraining from all of the above. We are in very close proximity to residential properties and have always had a good relationship with the residents. We ask that you help us maintain these good relations with them. Should we continue to receive complaints of this nature we will have no choice, but to advise them to contact the council and police. Should they feel the need to do this, they will have the full backing of the school. Many thanks in advance.
