Dates for your Diary

So that you can organise your busy family lives, we will shortly be issuing the current dates for your diaries until Christmas. We will add to this as events come to light and are added to the school calendar. When you receive the dates, please add them to your own calendars so you do not miss events for your children.

New School Dinner Menu

You can see this term's menu below. Head over to www.ipayimpact.co.uk to start booking your meals. As you know, we do not require children to have the same meal choice all week, so it is okay to just choose your child's favourite 1 or 2 meals for that week.

Please remember, the system needs funds in the account before making your meal choices, and meals must be ordered by Sunday for the following week.

Feeding Ashfield

We have been sent the following on behalf of Ashley Marshall by Ashfield District council about the creation of a Feeding Ashfield recipe book. We thought many of you may want to get involved with those old family recipes and your family favourites. The details are

I am creating a recipe booklet in collaboration with the Feeding Ashfield Network.

The aim for this booklet is that it will be created by the community, for the community, providing not only nutritious food recipes, but also information on organisations within the Feeding Ashfield Network along with where residents can find advice such as budgeting, support with energy bills and health services etc.

The hope is that residents and organisations within Ashfield will contribute their favourite recipes, a piece of information about why they chose the recipe, and some information about themselves or their business/community organisation.

Any recipes submitted should include the ingredients, how many people the recipe serves, method and cooking time (rough estimate). It would be lovely if the person submitting the recipe could also attach a piece of information about themselves, (perhaps an interesting fact or hobby) and why they chose the recipe they did.

If you would be interested in getting involved in this, please contact ashley.marshall@ashfield.gov.uk for more information.
