Key Stage 1 local history topic

On Thursday, the Key Stage 1 children were lucky enough to be visited by David and Mick, two grandparents and ex-miners. The children were very excited to receive these special visitors! They had the chance to ask lots of questions they had prepared all about their experiences working in the coal mining industry to link with our local history topic.

A big thanks to David and Mick for giving up their time to come and speak to us.

Most Active Class Awards

We have had a super active week at Edgewood and it is really pleasing to see all of the classes working really hard during their playtimes to stay active.

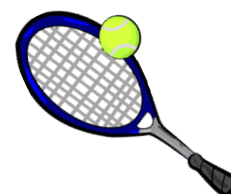

**This week's winners:
Rojo Class & Blue Class**

Next week, we will announce the Active Class winners for the school year. A sporting prize at the end of the year awaits the winning classes.

School Games Day is Tuesday 4th July in the morning.

Year 5 Tennis

This week, our year 5 tennis team travelled to Hucknall National to compete against other Hucknall Schools in the Next Level Games.

The children played two group matches against Beardall Fields and Hillside. After a brilliant performance in the first match, we managed to secure the win to move us top of the group. Our match against Hillside would determine whether we would play in the gold medal match or not. Unfortunately, despite some excellent tennis we fell to a narrow loss, which meant we played in the bronze medal game against Hucknall FHA.

The children dusted themselves down and produced some magical tennis – with Deacon producing the rally of the night (some 40 shots) with some stunning tennis. The children came out on the right side of the result to finish with a Bronze medal.

The team of Holly, Chloe, Deacon and Cameron were an absolute pleasure to take out of school and represented Edgewood with pride throughout.

Year 5/6 Flood Awareness Workshops

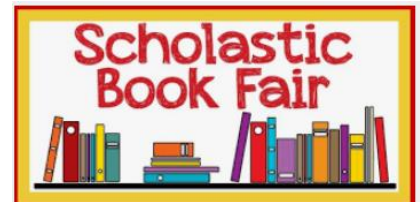

This week, the children in year 5/6 were visited by the flood awareness team from Nottinghamshire County Council. The pupils had a fantastic time learning about the impact of flooding, how to mitigate against this and how to keep themselves safe in a flood. The children also got to witness how the team use drones to observe floods.

I think, however, the highlight of the sessions was seeing if the flood defences the children built would stop the teachers getting wet feet – luckily the children did a great job and all the staff stayed dry.

Scholastic book fair

Thank you to everyone who queued in the sunshine yesterday to purchase books. Don't worry if you missed out: the book fair will be outside school again this afternoon.

We will let you know the final figures next week, but we are looking at being able to purchase over £300 worth of books for our school library, which is amazing!
