Jubilee Celebrations

As you will be aware, we held our Jubilee celebrations last Friday. As part of these celebrations, we have created a Jubilee Garden in honour of the occasion. On Friday, Mr Seeley, along with a few helpers, planted our special Jubilee tree. Here you can see some photos of the tree being planted.

I think you will agree that all the children had a great time during the jubilee picnic. I would like to thank you all for the treats you sent in for them to enjoy our celebrations. Below are some pictures showing some of the children enjoying their treats. We hope the children will hold these memories for many years to come.

Time Capsule

Yesterday, we continued with our Platinum Jubilee celebrations and a time capsule was buried in front of the Jubilee tree, in our jubilee garden. In the capsule there was a selection of the children's jubilee work, photos and their artwork. We hope that in years to come, the time capsule will be dug up and children of the future will be able to see what life was like in 2022 and how we celebrated a moment in history. Here is the time capsule and the contents that were buried by the school council and Miss Tomlinson.

Grapes in lunch boxes

If you send your child with grapes in their lunch boxes, can you please ensure they are not whole and are cut length ways to prevent a choking hazard. This also applies to any other foods that could be deemed a potential choking hazard.

Car Parking

Can I please remind parents and carers that are dropping off and picking children up from school, not to use the staff car park to park their car. These spaces are for staff parking only and by parking in there you are preventing staff members from doing so. This then results in complaints from residents because staff have had to park on the road.

Dogs

This week, we have had a few complaints about dogs around school. If you do bring your 4-legged friend on the school run, can you please ensure they remain on their lead and should they foul on the pavements, please ensure you pick up after them.

Edgewood Library

Please be reminded that the Library at Edgewood has reopened for 2 afternoons a week. The library is now open on a Wednesday and a Friday afternoon between 1.45-4.45pm. If you are not a member of the library, please come along and join. There are many services that community libraries offer not just the loaning of books.
