

Edgewood Primary School

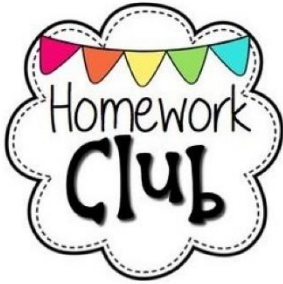

Building skills and values for life

Friday, 20 September 2019

Congratulations to Rojo Class for a weekly attendance of 96.84%

Homework Club

Homework Club has once again commenced for years 3, 4, 5 and 6. It runs on Tuesday, Wednesday and Thursday mornings from 8.30am to 9.00am with children coming in through the school office.

Two sessions a week should be enough time for your child to complete any on-line or written homework.

All children attending Homework Club will have their name put in a hat with 5 children per week being picked out to get a free pizza voucher for Friday Tuck.

There is no need to book - just bring your child to the school office at 8.30.

Water Bottles

Please be aware water bottles that are brought into school for use during the day should only contain water. We have having an increased number containing juice. As a school we have to promote healthy eating and drinking and as such water alone is sufficient to keep your child hydrated.

School Swimming

Swimming forms a vital part of the school curriculum: it is also a life lesson that we strongly believe all children should have. In order for us to be able to deliver these lessons we require the help of parent helpers to assist with getting children ready before and after they go into the pool. If you are able to spare a little time to come along and help this would be greatly appreciated and mean that swimming lessons can continue. You would need to be free from 1pm on any of the following afternoons: Tuesday – for Reception class, Wednesday – for Year 1 or Thursday – for Year 2. If you are able and would like to volunteer, please get in touch with the office and we will get the necessary paper work completed.

If you have a child swimming that has long hair, can you please ensure it is tied back on swimming days.
