**Building skills and values for life**

## Newsletter

What a soggy end to the first half term - I am so impressed with the children's attitude to learning and their behaviour this half term and look forward to it continuing when we return.

We said goodbye to Mrs Adamson in assembly today and wish her well in her new school. I know you will make Mrs Middleton feel very welcome when she starts with us.

Have lots of fun over half term and stay safe if you visit any firework displays.

See you all when we return on Monday 6 November.

## Attendance

**Congratulations to Orange class for a weekly attendance of 99.26%**

Every School Day Counts

## Design and Technology – Come dine with Edgewood!

One strand of our Design and Technology curriculum is Cooking and Nutrition. Throughout primary school, all children are taught basic cooking skills, key vocabulary and have the opportunity to design, make and evaluate their products. On the first week back after half term, the children will be participating in a whole school cooking week. Each year group have been given a European country and a dish to make from that country. The children will have the opportunity to make this dish in small groups, whilst using our school kitchen and developing their skills. At the end of the week, all children have the opportunity to taste each-other's cooking! In addition to this, Coombs have created a 'Round the World Week' menu to complement the countries we will be looking at! We are encouraging all children to try a new dish and have a school meal on the first week back. Please see menu below.

Thank you again for all of your generous donations for Under One Roof this year.
