Newsletter

Congratulations to Rosa class for a Yearly attendance of 95.80%

Every School Day Counts

Attended today, achieved for a lifetime!

Wow! What a year! I seem to have blinked in September and here we are at the end of another school year. The last day of term is always a strange day filled with many emotions. There is excitement as we start to look forward to our summer holiday – the chance to rest, recover and start to look forward to the next school year. There is sadness as we say goodbye to people. This year is filled with greater sadness as we not only wave goodbye to the Year 6 children as they embark on the next step of their school journey, but we are also saying bye to 4 of our amazing staff who have been with us for many years. They will certainly be missed – not only for their huge wealth of experience but as the great friends we have all become over the years.

This week we have celebrated those children who achieved 100% attendance and stage 5 this school year; we have also given prizes to children who came in the top 5 of the Hit 100 challenge.

During our emotional leavers' assembly yesterday, parents and carers watched as children sang songs and read a poem that they chose to reflect their time at our school.

We also presented our Sports Personality of the year award to Daisy and Kian – well done and well deserved.

The celebrations didn't end there. We welcomed Ben Marshall to our assembly to present the Ben Marshall Award. Ben is a former pupil of Edgewood. The Ben Marshall Award is given to the 2 children who we feel have not only upheld the school values during their time here but also have shone with their core values and the way they conduct themselves. As Ben said himself yesterday, "This award is not for being the most academic, the sportiest or the most popular; it's about being an all-round good egg and doing the right thing during your time in school."

Well done Clay and Isabel!

School Games Mark – 2022/2023

We are delighted to announce that Edgewood Primary School, have achieved the School Games Gold Mark Award for the 2022/23 academic year. This is only the second time in the school's history this has been achieved after successfully being awarded the Gold Mark last year for the first time.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community and we are delighted to have been recognised for our success.

With a lot of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs and we are pleased that the hard work of everyone at our school has been rewarded this year.

We look forward to applying once again in 2024!

Year 6 v Staff Rounders Match

Once again, the weather held off for our annual staff versus Year 6 rounders match. There were scores to be settled as the pupils had lost for the last 2 years.

It all started well but unfortunately (for them) the staff were once more victorious and had the first throw of the wet sponges. Don't worry the children got their own back and we have several soggy staff members for the rest of the day.

The Edgewood Seed Library Makes Its Debut

This week, the Edgewood Seed Library made its first debut around school and was a huge success with a queue of eager future growers wrapped around the playground, excited to choose their seeds!

Thanks to the hard work of pupils from all across the school, we now have a seed library which has been beautifully illustrated with the art by the winners of the Edgewood Seed Library Art Contest. Winners were celebrated in this week's assembly.

A huge thank you to all of the pupils who kindly gave part of their playtimes to package the seeds in sachets and open the seed library for their classmates to visit, learn about and take away a sachet of seeds from to grow over the summer holidays.

Our Edgewood Seed Library allows pupils who are inquisitive and keen to get growing to choose from 25 different varieties of fruit, vegetables, herbs and flowers to grow at home. We hope that your children will enjoy growing the seeds that they chose over the summer and visit the Edgewood Seed Library again next year. We accept with gratitude any donations of seeds that you have going spare at home to support our library.

Ready, Set, Read!

Once again we are encouraging children to take part in the Ready ,Set ,Read! Challenge which is delivered with the libraries.

Each child who completes the challenge will receive 10 house points to start of the next school year.

How to take part in the library

- Children sign up at the library to start their Challenge, picking up their Ready, Set, Read! collector folder.
- Borrow books and get reading! Children choose the books they want to read, recording what they have read on their folder. Library staff and volunteers are on hand to chat to children about books they have read.
- For every book read, children will pick up stickers (some are smelly!) along with other rewards. They'll also help the Ready, Set, Read! team weave through the obstacle course.
- Every child who completes the challenge, by reading 6 library books, receives a medal and certificate.

How to take part online

Children can also take part online for digital rewards

- sign up for a website profile direct at summerreadingchallenge.org.uk (children will be asked to provide a parent/carers email address to approve signup).
- Set a personal reading goal for the summer.
- Record the books read onto an online profile and leave reviews to unlock digital badges and online rewards
- Children will unlock a certificate to download once they reach their goal.

There is help and guidance available to support signing up to the online challenge [here](#)

Please note, the in-person and online Challenges are separate. Physical incentives like medals and certificates are only available via the library, for those taking part in the in-person Challenge.

Attention 2023 School starters

We are holding a meet up for September school starters to help meet new Friends and Parents who will be starting at the same time!

29th July

9.30 - 11.30am Beardall Fields

Squirrels. The newest branch of the Scouts family tree. Where 4-6 year olds can join in too.

This is an age when minds are fizzing, when energy and curiosity levels are sky high, when little lives are full of wow and wonder. Set them climbing the tree. Who knows how far they'll reach?

Hucknall - we need you!
We have lots of young people ready for an adventure and to make memories - but we can't do this without the support in the form of leaders and adult help. Could this be you? If you'd like to be a part of the next big thing
