### **World Book Day**

Next week on Thursday the 3<sup>rd</sup> March 2022, we will be celebrating World Book Day. We would like children to come to school on this day dressed as their favourite book character.

### **School Dinners**

On the 17<sup>th</sup> March, we will be holding a themed menu to celebrate St Patrick's day. Should your child wish to have a school dinner on this day, please order in the usual way by Sunday 13<sup>th</sup> March. Details of the menu can be found below.

### **Internet Safety**

We have been made aware that a number of our children are being exposed to a new internet character called Huggy Wuggy. This on the surface, seems like an innocent thing, however the character comes from an adult internet game that is not suitable for children. If children mention this character, or play games around it, or even bring merchandise into school around this, we will be asking for these things to stop, as they are not suitable for children. Should your child be watching you tube videos or role playing the character at home we would advise having a conversation with them that Huggy Wuggy is not for children.

## Can you help?

During our quest to make all children aware of internet safety, our youngest children in school learn best through imaginative play. We are currently short of technology items such as old broken mobile phones, laptops, computer keyboards, tablets etc. Having more of these items would allow the staff working with our youngest children to carefully lead age appropriate conversations around the online world whilst the children play. Please let us know if you have any items that you would be happy to donate to school for this purpose.

## This Weeks Sports Report

### Year 5/6 Sports Hall Athletics

A team of 12 Year 5/6 children went to Selston High School to compete in the district qualifier for Sports Hall Athletics. After some amazing running in the track events, Edgewood scored an impressive 76 points leaving us well placed to qualify for the district finals when we compete in the field events next week.

## Year 5/6 Boys Football

The boys football team were back in action after what seems like forever since their last football game. A home tie against Kirkby Woodhouse in the cup saw the first use of our very boggy field since October and made playing any kind of quality football very difficult. However, the boys battled exceptionally hard during the game with the final score being 1-0. Man of the match performances from: Albie and Ryan in the heart of defence, and Theo. Huge thanks to the supporters who braved the cold weather from the outer fence to cheer the boys on. They return to league action next week at Home to Kingsway.

The girls football team are also back in action next week as they travel to Beardall Fields in the league.

## Fancy Dress Costumes

In Nursery, we are developing our role play resources and would be grateful for any donations of fancy dress costumes in sizes 4-5 or 5-6 years old. We currently have lots of superhero and princess costumes but would appreciate any other costumes you no longer use at home. Thank you in advance.
