

# Edgewood Primary School

## Building skills and values for life

Friday, 27 September 2019

**Congratulations to Green Class for a weekly attendance of 99.09%**

### **Contacting Governors**

If you have any queries/concerns about our school please ensure that you do not contact members of our Governing body directly or via their social media account and contact school using the details set out on the Parental Concerns Document linked below.

<http://www.edgewoodprimaryschool.co.uk/sites/default/files/Parental%20concerns%20September%202017.pdf>

### **School photographs**

You should have received your proof from the school photographer. Once you have made your choice, please ensure that your orders are placed by Thursday 3<sup>rd</sup> October 2019.

### **Dogs on school grounds**

We have had reports of dogs in the playground at both drop off and pick up times. For safety purposes we do not allow dogs onto our school grounds. We appreciate that your dog may be very friendly but we ask that you do not bring them into school.

### **School swimming**

We need helpers to assist us with our swimming lessons on Tuesday Wednesday and Thursday afternoons. Swimming forms a vital part of the school curriculum and in order for us to provide this, we rely heavily on parents' help. You will be required to help the children get changed, before and after they swim. If you are able to spare us a few hours, please contact Sally in the office and she will arrange for the necessary checks to be undertaken. Many thanks in advance for your help and support with this. Without your assistance we may not be able to help our children learn this essential life skill.

Ed Seeley  
Headteacher
