Newsletter

I would firstly like to say a huge well done to the Year 5 & 6 children. The performance of Aladdin was brilliant! Well done to you all. We are all getting ready for the residential next week and with that in mind, children in year 5 & 6 who are not going will have P.E on Monday and Thursday next week. Please send them in P.E kit on those days.

Children's Mental Health Day

Friday 7th February is dress down day to support children's mental health week. This year we're exploring our theme Know Yourself, Grow Yourself.

Mobile Phones

If your child needs to bring a mobile phone into school with them, they need to hand it into reception before going through their class gate. All phones must be turned off before handing them in. There have been several phones over the last few weeks that have not been turned off and have been ringing or have had notifications coming through during the school day. Thank you for your support with this.

Lunchtime update

At lunchtime, this week we talked about lunchtime expectations and how we are expected to behave in the dining room.

We gave out well done slips this week to

Elsie C
Layla Y
Chayse R
Esther
Ahad
Daisy
Ava C

Lots of these were for showing kindness and setting a good example so well done.

Y5/6 Nottingham Trent University Outreach sessions

On Wednesday 12th February, Y5/6 children will be taking part in some workshop sessions with Nottingham Trent University.

To facilitate these, please complete the data collection form using the following link:

Aladdin Trouble

After three exceptional performances to parents and one to school, the Year 5/6 production of Alladin Trouble has come to an end. For anyone who has seen the production this week, you have been treated to some excellent singing, dancing and acting in what was a performance the whole school community should be proud of.

A special thank you to all those children who made the effort to return for our evening performances, without their commitment and dedication we would not have been able to put together such a fantastic show.

Parent/Carer Workshop on Supporting Sensory Regulation

We are fortunate to be hosting the next parent/carers workshop, run by our Family SENCo, Rachel Hazeldine, and a speech and language therapist, Beth Atkinson, both of whom regularly attend our school and support staff who work with pupils requiring extra support.

If your child struggles in the environment with noises, smells, movements, and has difficulty with eating and touching different textures, please come along for more information and to learn some useful strategies. Parents and carers from nearby schools have also been invited, so this is a good opportunity to chat with other parents/carers who may be in a similar position. There's no need to book or request to attend. If you are interested, simply turn up to the event. Please see the flyer below.
