PTA EASTER ACTIVITY

Many thanks to everyone who filled their bags with coins and returned them to school. We had a huge amount returned. I can confirm the class with the most coins was **AZUL** and they have earned a non-uniform voucher for one day next half term. Prizes were given to 12 children who won the prize draw – they will be bringing them home today. The hamper winner also took home a beautiful hamper yesterday full of Easter goodies.

Thank you to everyone that supports the PTA events to raise valuable funds. Thank you to the PTA members for running these events.

Most Active Class Awards

We have had a super active week at Edgewood and it is really pleasing to see all of the classes working really hard during their playtimes to stay active.

This weeks winners:
Blue Class & Morado Class

Year 5 Futsal

This week, our year 5 Futsal team travelled to Broomhill to compete against the other Hucknall schools in a tournament.

The team played tremendously well throughout the event, showcasing all the skills they have been practising in their PE lessons and after school.

The children battled on despite the weather and finished the event as joint winners. We are incredibly proud of their achievements.

Year 5/6 Football

It has been a busy week with the boys' football team also being in action away to Abbey Gates in Ravenshead.

The weather and the pitch did not help the boys but despite this they put in a battling display eventually coming out on the wrong end of a 3-0 scoreline.

Player of the match was awarded to Albie for his excellent defending and the way he led the team throughout the game.

Coombs Easter Colouring Competition

Congratulations to Cody, Georgina and Sadie who won an Easter egg in the colouring competition. Many thanks to Coombs Catering for donating the eggs.

New school menu

When we return after Easter, we will be launching the new school menu as below. Head over to www.ipayimpact.co.uk to order your child's meals. If you do not pay for your child's meals, then you will be able to order for the full term.

As mentioned above, there will be a small increase in the school meal price when we return. Please note: the last day to order for when we return is SUNDAY 16TH APRIL. Due to the menu, we cannot guarantee that any order not placed before this deadline can be fulfilled.

Choking risk

Please be aware that we have had an instance this week with a child choking on a fruit winder. Thanks to the very quick thinking of the children on their dinner table and the staff this was dealt with swiftly and with no harm. These winders say they are a potential choking hazards for children under 36 months, but the child was obviously older than that. Please be vigilant when sending any items in packed lunch boxes that can represent a choking risk and ensure that grapes are sliced in half for any child 5 or below.

Attendance Reward

Well done to all the children with 100% attendance this half term! They all had a fantastic time at the silent disco on Thursday. We will let you know what the next attendance reward will be when we return to school after the Easter break.

Parking around school

It is with regret that we have to bring this to your attention again. This week we have had an incident where due to the volume and nature of parking there has been a minor accident near school.

Should you need to bring your child to school in the car, we ask that you park legally and courteously ensuring that you are mindful of other drivers. Please DO NOT park over residents' driveways, DO NOT park on The Harrier private road and DO NOT use either of the staff parking areas.

All that is left is to wish to all a very Happy Easter and we look forward to seeing you when school reopens on Monday 17th April.
