15th September 2017

Dear parents/carers

Nursery routine

As of next week we will be having a number, shape and nursery rhyme of the week. We will use our register time to talk about them and will recap them during group times throughout the week. Please find a copy of our plan for this half term below:

	Number	Nursery Rhyme/song	Shape
18th Sept	1	Hickory dickory dock	rectangle
25th Sept	2	2 little dickie birds	square
2nd Oct	3	Three blind mice	triangle
9th Oct	4	The wheels on the bus	circle
16th Oct	5	5 Little ducks	semi-circle

Many activities in the classroom will reflect the above to offer children opportunities to reinforce their learning throughout the week.

We will also be using our registration time to do a calendar and weather chart, sing a hello and days of the week song and to discuss our 'word of the day'. We will display the word on the Nursery door to give you opportunity to discuss it with your child.

Thank you in anticipation of your support.

Miss Heritage and Mrs Newton
