Dear parents / carers,

We are so pleased your child will be joining Edgewood Primary School in September. We would like to offer some more information of our plans to help you to familiarise yourself with our school and staff.

With the current Coronavirus pandemic, our school is currently only open for vulnerable children and the children of keyworkers.

The government have not yet announced when schools will open to all pupils so we can't currently finalise our plans for your children starting in our Nursery. Rest assured we are working hard on multiple plans depending on what the government advises to ensure your child has a smooth and successful start to their time at Edgewood.

I would like to take this opportunity to invite you to our online learning platform. The web address you will need is <https://app.seesaw.me/#/student/login> or you can download the app on a phone or tablet. You will then need to log in as a student. Your individual text code has been sent via text message on the number you provided. If you have not received this, or have misplaced it, please do not hesitate to contact school on the options at the top of this letter.

When you have logged in, you will need to click on the 'Activities' button which is on the right-hand side of the screen. There you will find some notices from school staff. If you are having difficulty with this, or have any further questions, please contact us at the school office via the phone numbers or email address above.

When we have further information, we will communicate this to you.

Yours faithfully,

Ed Seeley

Head teacher
