Impact of PP funding for the 2018/2019 academic year:		
Strategy & Reason Chosen	Cost	Impact
<p>Pupil premium leader The PP leader works to co-ordinate and lead the area by supporting staff and monitoring the impact of initiatives & interventions.</p>	£2,762	The pupil premium leader has led the management of PP provision. Staff responsible for interventions and pupil progress have been liaised with and the effectiveness of provision for PP children has been evaluated. Plans have been put into place to raise PP children's aspirations and material things have been provided to support their curriculum. Attendance has been monitored and steps have been put into place to tackle persistent lateness and absence.
<p>Pastoral support team We have a range of pupils who have additional emotional needs and by deploying our pastoral support leader to work with these children we can ensure that we remove these barriers to learning.</p>	£36,523	Our pastoral support team have had a crucial role in developing the confidence of pupils they work with. The team have also worked to improve the attendance of the PP children who have persistent lateness and absences.

<p>TA support Teachers have deployed TA's to run interventions and 1:1 support with PP children in their class.</p>	<p>£41,879 F2 3.5 hours/week £4,128.92 KS1 7 hours/week £8,257.83 LKS2 12 hours/week £14,156.28 UKS2 13 hours/week £15,335.97</p>	<p>EYFS PP children continue to take part in regular, planned opportunities to build their confidence, attention and listening, reading, writing, maths and fine motor skills. Early Years practitioners in the team have been trained in Talk Boost which has been used to boost the early language of PP children across F1 and F2. PP children with speech and language programmes set by speech therapists have received their regular recommended sessions in school to support work outside of school. As a result, in 2018/2019, the number of F2 pupils achieving a GLD was slightly higher than the number average within the LA.</p> <p>KS1 and KS2 pupils have taken part in regular, planned opportunities to boost their spelling, handwriting, phonics, maths, working memory, inference and retrieval, writing. They have also had 1:1 support with their emotional and social needs through positive play. A key area to work further on is PP children's attainment within phonics along with ensuring the gap is closing in general.</p> <p>The KS2 picture for is looking positive across all subjects with the data showing the impact these strategies and approaches are having.</p>
<p>Teacher release time The Pupil Premium Leader and members of the KS2 teaching staff met to discuss their PP children and to target those children with specific strategies.</p>	<p>£300</p>	<p>This proved to be a very successful strategy and it could clearly be seen from the data that the children who had be specifically targeted had made accelerated progress.</p>
<p>Free YMCA before or afterschool sessions We have offered free YMCA places to address this as one of the main barriers to academic achievement for some PP children is low attendance.</p>	<p>£6,662</p>	<p>The attendance and engagement of pupils who have taken up free YMCA places has improved year on year and teachers have commented on how pupils have been coming into school 'ready to learn'.</p>
<p>Enrichment A trip to Nottingham Girls High School was organised for KS2 children to allow them to</p>	<p>£240.56</p>	<p>It was observed that children who attended the trip showed an increased confidence and mixed with a range of pupils who they otherwise wouldn't have.</p>

try activities which would boost self-confidence.		
Cool milk Free milk for PP children	£1,187	All PP children have been offered the opportunity to have a free milk each day.

Plans for the academic Year 2019/2020:

Closing the gap on KS1 attainment

Ensure PP interventions continue to be planned, monitored and reviewed regularly in KS1 – with a large focus on phonics.

Enrichment

Continue to provide key opportunities of enrichment and challenge of aspirations

Attendance

Specific invitations to be sent to PP children to attend before school homework club to boost attendance of PP children. New incentives for attending homework club regularly will be put into place to encourage PP children attend.

Tracking PP barriers to learning

The PP leader will work with teachers to find out about the needs of individual PP children both in KS1 and KS2 This will allow better support to be put into place to address the individual barriers to learning of PP children.

Basic skills

Basic skills such as times tables, spelling and reading book bands will be monitored. Any gaps in basic skills between PP and non PP children will be planned for and monitored.

The next Pupil Premium strategy review will be in September 2020.

Pupil Premium is money given to schools directly from central government. This money is earmarked in our school to support those children from less well-off families to make sure they achieve at least as well as children from better-off families. It is calculated on the basis of how many children at the school have successfully applied for this additional funding.
