

Edgewood Primary School

Building skills and values for life

Xbox One access to Seesaw

Press onto my games and apps.

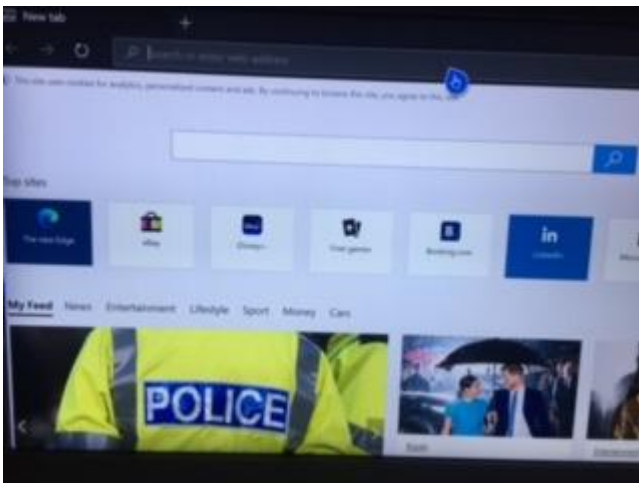

On the left make sure apps are selected. Look through the following apps to find Microsoft Edge.

The picture to the right shows how to use your controller to surf the web.

From this page type in the link in the top search bar.

If done correctly, your screen should look like this.

It can be very slow, especially when first setting it up, so please be patient.
