## Red and Green Class Newsletter

We have had a lovely first few days in Red and Green class. It's been lovely to see the children building friendships and confidently learning the routines of their new school day. The children have all brought home a book from our classroom today to share at home. We will be changing these books on a Thursday.

### Lunch time

The menus are available online for your information. Lunch time is so far a success with all children enjoying the family service in the dining room.

### PE and Swimming

All children will have PE on a Tuesday. Please ensure your child's PE kit is in school at all times. Swimming will begin on Friday 16<sup>th</sup> September and will be every Friday afternoon. It is helpful if we have parent carers support children in the changing rooms. You are required to have a DBS check which can be completed with a member of office staff. Please speak to a member of staff if you would like more details. Earrings should not be worn on PE and swimming days and only small studs during other school days.

### School Equipment

Please ensure your child has a named water bottle in school each day. If your child has a packed lunch they require a separate drink for their lunchbox.

We will begin using our outdoor area next week. You may wish to send your child with some named wellies to use in our muddy area.

### Home task - Make a Wish

It is a very exciting time for yourself and your child as they are now in full time education. Over the weekend I would like you to think what your wishes and hopes are for your child. What do you hope your child will be able to do by July 2017? It's also nice for you to talk to your child about what their aspirations are. What do they want to achieve in Red and Green class? There are no right or wrong answers, as a staff we feel it is paramount to consider both parent and children's views in their education.
