

Welcome to the start of a new school year in Amarillo, Rosa and Verde

Here is an overview of the topics we will be covering in the first half-term:

English: The children will be learning how to write reports with a focus on improving their sentence structures. Their work will be inspired by the book *Aliens Love Underpants*.

Maths: We will start the year by looking at the value of 3 and 4-digit numbers, including ordering, comparing and rounding. This will be followed by mental and written methods of addition.

Science: Electricity – Understanding the uses and dangers of electricity. The children will build their own electrical circuits and design a Halloween mask which lights up.

History: Romans – invaders and settlers

Art and Design: Creating Roman style mosaics

R.E: Beliefs and questions related to Christianity and Sikhism

Computing: E-safety

P.E: Invasions games (netball) and dance (Capoeira)

If you have any questions about the work we will be doing, please pop in and see us as we will be more than happy to help.

Thank you for your support.

Miss Cross Mr Curtis, Mr Moss and Mrs Norgate
