Friday, 20 March 2020

Dear parent/carer,

Thank you for identifying yourself as a key worker. From Monday 23rd March onwards, Edgewood Primary School will be able to provide childcare for your child from 8am – 4pm on Monday to Friday and we plan to extend this provision throughout the Easter holidays.

Your child will not need to wear school uniform and you are welcome to drop them off and pick them up at a time between 8am and 4pm that fits around your working hours. They do not need to be here from 8am – 4pm if you are not at work. If your child is currently in Nursery or Reception, please drop them off at the Nursery entrance. All other children will need to be dropped off and picked up from the main reception. As always, please could you advise us if somebody different is going to be picking up your child.

During each day, we will be offering a variety of activities ranging from more academic, through to creative and physical activities. However, this will have a different feel for the children compared to the normal school days they are used to. Please could you ensure that your child brings their home learning pack, which was sent home on Wednesday.

If you haven't already provided school with proof of your occupation, please could you bring some form of proof with you on Monday morning. This could be an ID badge or any documentation.

The catering company that we use are able to provide your child with a school meal and we are currently trying to establish whether this will be provided free of charge. We hope that this will be the case but this hasn't yet been confirmed. Please let us know on Monday morning whether you would like us to provide a meal for your child.

The first few days will be a learning experience for all of the staff so we ask that you can be patient if things don't run as smoothly as they do on a normal school day.

Many thanks for your support.

Yours faithfully,

M. Curtis
