Dear parents/carers,

Congratulations to Morado Class for a weekly attendance of 96.9%

On Monday 16th May, we will be celebrating the achievements of the following children for being this week's achiever.

I am sure you will join me in congratulating the children above on their amazing effort and success this half term.

Apologies

I need to start this week's newsletter with an apology. In the newsletter dated 29th April 2022, we misspelt Neivah's name in the weekly achiever's section. Neivah from Rainbow class, please accept our apologies for this mistake, and well done once again for being the class weekly achiever.

Uniform

I would like to remind all parents and carers of the school uniform policy. This is due to the rising number of children attending school wearing the incorrect uniform. I know we are in the last term of the school year but it is important that our standards remain high.

The uniform for all students should be selected from the following:

- White shirt, blouse or polo shirt
- Grey or black trousers
- **Knee length** Grey or black skirt or pinafore
- Red jumper/sweatshirt or cardigan
- Red and white summer dress
- Black shoes

Polo shirts and sweaters with the school logo are available to purchase from Hucknall Sports on the High Street. However, **any white shirt and red jumper are acceptable.**

As we are a primary school, we do not allow the wearing of make-up or nail varnish. If these are used outside of school, please ensure that they are removed before school returns.

SEND Offer

At the end of the newsletter there is information about a SEND offer from Nottinghamshire County Council.

Jamboree Fund Raising

The Rotary Club of Hucknall, will be holding a community day on 21st May 2022 between 10am & 3pm. There will be lots of activities for all the family to enjoy. You will even see Paige there doing some fund raising for her Jamboree. Please go along and support this event if you can.

NTU Outreach Programme and Children's University for Y5/6 children

Year 5/6 children are now enrolled at the Children's University, which is supported by the Nottingham Trent University Outreach Programme.

To allow them to access the programme fully, the University would like a data collection form completed as soon as possible.

Children have received their passports to learning and activity books on Friday.

Year 6 are also invited to attend a campus visit in July, and the University needs this information for them to be able to attend.

Data collection form

Please complete the data collection form by using the link below:

A BIG Thank you!

We would like to give a BIG thank you to Warburtons for the very generous donation of daily bread and crumpets for our year 6 breakfast SATS club last week.
