# Talk homework

The children have worked really hard this half term and deserve their break. With the lovely weather arriving this week please talk to them about staying safe in the sun. Please also tell them why it is important to look after ourselves in the heat and how we can keep cool sensibly. You might also like to talk about activities you enjoy outside in the sun. Below are some questions to extend your conversations, if you need them.

- How do we stay safe in the sun?
- What clothes do we wear in the sun?
- How can we cool down when we are hot?
- What activities do you like doing on sunny days?

Child's name: \_\_\_\_\_

We have completed this week's talk homework
