Building skills and values for life

Dear Parents/Carers,

Home School Books

At the end of the school year, it is important for us to clean, refresh and replace, where necessary, our entire stock of home school reading books. To help in this task, would you please ensure that your child returns all books that have been borrowed as soon as possible. Kindly note we have always maintained a general amnesty for anyone who finds they have a number of books belonging to school and ask you to return them to us - no questions asked! One or two people have recently had a bit of a clear out at home and found a few school books hiding around the house and I think that there are probably a few more households with a stash of school books that we would be all too grateful to see back in our book boxes and shelves! Thanking you in anticipation of your support.

Year 6 Leavers assembly

We will be holding a leavers' assembly on 25th July at 2pm. Parents of the Year 6s are welcome to come along to the assembly and join in the celebrations with your child.

Wild Life Watch

Swap screen time for Green Time – The Wild Life Trusts are running a number of outdoor activities to try and encourage children between the ages of 8 and 13 years old to learn more about the natural world. Events are free and will be held at Titchfield Park, Quarry Lane and Oakham nature reserves.

For more information or to book a place please contact Sarah Spurry on 07885169111 or email on sarah.spurry@ntworld.com. You can also visit the website at www.wildlifewatch.org.uk/watchgroups/mansfield-ashfield.
