BEAVER SCOUTS The Beaver Colony is the first and youngest section of the Scout Group. Beaver Scouts are aged between 6 and 8 years old. Beavers generally meet for an hour per week. They enjoy all that Scouting has to offer; being introduced to outdoor activities, having the opportunity to be creative, exploring their local community and experiencing the excitement of a Beaver Scout Sleepover with their friends.

CUB SCOUTS are for young people aged between 8 and 10 years old. For Cubs, excitement and adventure are key. Their programme offers a huge variety of activities surrounding areas of fitness, global and beliefs whilst allowing them to be creative and get involved in their local communities. Cubs are introduced to exciting outdoor skills and take part in adventurous activities, as well as camps and residential experiences.
