

Edgewood Primary School

Building skills and values for life

Friday, 13 May 2016

Dear Parents/Carers,

Thank you for all the messages of congratulations and thanks after our Ofsted report was published. If you haven't seen it yet it is available on our website and will go live on the Ofsted site on the 17th May.

Year 6 SATS

Well done to all the Year 6 children who have now finished their SAT tests. They have all worked incredibly hard and we are proud of them all. As a reward for all their hard work they have gone ice skating this morning, and I'm sure they will all enjoy some rest before they recommence their work next week. A big thank you to all the midday staff for all their hard work this week with the changes at lunch.

Class Photos

This year our class photos will be taken on the 19th May. Please make sure your child comes in correct uniform as always.

Staff news

We would like to congratulate Mr Williamson on his new post at Blidworth Oaks Primary School. He will be here until the end of the school term in July. We will all be sad to see him go but wish him all the best in his new school.

Attendance

Well done to Azul class who achieved 98.66% attendance for week commencing the 3rd May.

Have a great weekend,

Ed Seeley

Headteacher
