

Edgewood Primary School

Building skills and values for life

Friday, 17 June 2016

Dear Parents/Carers,

Pirate Day Years 1 and 2

Years 1 and 2 had a lovely day on Thursday taking part in the Pirate Day. They very much enjoyed watching the Pirate performance by the theatre company and showed enthusiasm and respect towards the outside providers. They also enjoyed taking part in different Pirate themed activities within their classrooms. It was great to see so many children dressed up in Pirate costumes. Thank you for taking the time to get involved with making the day special.

Here is a photo of Yellow Class in their costumes (more photos from Yellow class and photos of the other classes will be put onto the school website early next week.)

sQuid app

Did you know that sQuid have now launched an app? This is a free app available both on Android and in the Apple Store and allows parents to view transactions, top up the account and change any personal details. The good thing about this app is that you can merge all siblings into this app making it a one-stop shop for your whole family.

Driving near school

Once again, can I ask that when you are dropping children off or collecting them that you take extra care and drive sensibly? We have had a few occasions recently where parents have had near misses, especially when dropping off at breakfast club early in the morning. Please be respectful of our neighbours and remain safe at all times.

Football cards/stickers

As the European Championship is well underway, many children are bringing in football cards/stickers to swap with others. Please note that these ARE allowed as long as children are sensible with them, they do not cause arguments and children do not have them during lessons and whilst eating dinner. I really do not want to ban these. However, if the children continue to break these rules, I will be left with no choice.

Polling Station

I would like to remind you that nursery will be closed all day on Thursday 23rd June as it will be used for a polling station.

Attendance

A very big well done to Rosa class who had 100% attendance for the week commencing 6th June. I know Verde class were very disappointed as their attendance was 99.62%. These are great figures so well done to all.
