

Edgewood Primary School

Building skills and values for life

Friday, 18 March 2016

Dear Parents/Carers,

Prevent training

You'll know from the news that the government has put a big emphasis on schools helping to prevent extremism in any form. Staff at Edgewood have all been trained on the 'Prevent' strategy, and this has led to the addition of some detail to our 'Acceptable behaviour of adults in school' policy, which now states that behaviour will not be tolerated that could: "Be seen to bear any signs, symbols, words or pictures or heard to make any comments to anyone related to school that could contravene British Values or in any way encourage radicalisation, terrorism or extremism in any form."

The policy in full can be read on the school website:

Sports news

Table Tennis – Well done to the four Y6 pupils who were awarded gold medals at the district tournament.

Indoor Rowing – Fantastic rowing from Y5/6 pupils led to silver medals being awarded!

Basketball – Great teamwork from the team of 11 pupils meant that Edgewood were awarded a silver medal at Basketball and a possible place at the district final later in the term.

Thank you to all the parents for the ongoing support of sport at Edgewood.
