Building skills and values for life

Friday, 19 May 2017

Dear Parents/Carers,

Every School Day Counts

Attend today, achieve for a lifetime!

[Congratulations to Rosa for gaining 99.67% attendance this week.](#)

Edgewood School Hockey Team

Well done to our hockey team, we played at The National Church of England Academy on Tuesday evening. Every team member put in a stirring performance, it was very wet weather and we came a very respectable 3rd place. Well done to all who played and all who went to support.

NSPCC Share Aware

I would like to bring Share Aware to your attention. It is a new campaign from the NSPCC and O2, which gives parents all the tools they need to have regular and informed conversations with their child about staying safe online. Under 20% of parents discuss online safety regularly with their children but we want to get every family talking about their child's life online, just as they would their day at school.

If you wish to sign up to the Icebreaker email series and become an expert on your child's online world in 6 weeks, you can follow the four simple steps to keeping children safe online, watch the film 'Safety advice from a 10 year old' or you can visit Net Aware – their guide to your child's social networks apps and games.

The internet is a great place for children to be; being Share Aware makes it safer.

Dogs on School Premises

Dogs have been seen on the school playground during drop off and pick up times. Please be aware that dogs are not allowed on school premises at any time or under any circumstances unless they are a working guide dog. Many thanks for your cooperation with this.
