Dear Parents and Carers,

Welcome to our final newsletter of this half term. Please remember we have an inset day tomorrow and school is closed to pupils. Pupils return on Monday, 31st October.

This half term has been a very busy one but I'd like to thank you all for your support in making it a very positive and productive start to the year.

WEBSITE

We are continually adding content and information to our website so please make sure you are checking in periodically to have a look. Some of the latest information added is around mathematics by Mr Curtis. In the 'Helping your child' section of the website you will find the mathematics page with information and a link to a video about Maths No Problem and also a link to our calculation policy.

If there are other things you'd like to see on our website please let us know.
