

Year 5 and 6 Autumn Term

Welcome back!

This term's theme

Our objectives this term are linked to the topic of The Vikings where we will be creating an information booklet and biography of Alfred the Great.

Our class text is Stormbreaker by Anthony Horowitz.

Maths

This term, children will need to continue to practice times tables and we will be learning place value of numbers up to 1,000,000 as well as mental and written methods for addition and subtraction.

Science

We are going to be investigating sources of light as well as understanding how light enables us to see.

Dates

There will be a Welcome meeting for Parents on Thursday 21st September at 5.30pm.

This is an opportunity to meet class teachers and share information regarding the forthcoming residential visit.
