

# KS1 Newsletter - Autumn 1

Welcome to our KS1 newsletter that we will be sending out each half term to keep you informed about your child's learning and what you can do to support them at home.

The children have settled in very well to their new classes and are becoming more familiar with the new routines. Attached to this newsletter is our medium term planning which should allow you to stay up to date with what your child is learning each week.

## Key Dates:

Monday 19<sup>th</sup> September: Meet the teacher and introduction to KS1 evening.

## P.E & Swimming

All classes will be swimming on Friday mornings. If you are available to help with swimming and have a current school DBS check please speak to your child's class teacher.

Please remember to name all of your child's clothes and equipment.

## Topics for the next term

This term our new topic will be called 'Wings, feet or fins?' We will be learning about a range of animals.

## How to help your child:

- Continue to hear your child read.
- In the next couple of weeks we will group the children into Phonics groups. Once we have done this we will begin to send spellings home each week for your child to learn.
- Help them to learn their number bonds and times tables.

## Meet the teacher evening

On Monday 19<sup>th</sup> September Blue, Yellow and Orange classes will be holding an open evening where there will be a short introduction to the routines in KS1 and a chance to meet your child's new class teacher. There will be two sessions available 3.45pm & 5.00pm. There is no need to RSVP just come to the slot most convenient to you. Your child and their siblings are welcome to come along too.
