## Bilsthorpe coal mining visitor

Dear Parents/Carers,

Next **Wednesday 24<sup>th</sup> July** we have a visitor from Bilsthorpe Heritage museum visiting all the children in Key Stage 1 linked to our local history learning about coal mining. This visit is led by a volunteer, but we would appreciate any **cash voluntary donations**. The museum is run entirely on donations and by volunteers. If possible, **please send £1 or £2** with your child to enable this valuable community service to continue, and to ensure that all our children are aware of our mining heritage. **Please give any cash donations to your child's teacher** which will be then be passed onto the museum. This visit will be an opportunity for all the children to ask questions and deepen their understanding of coal mining as an important local industry within living memory.

For those of you who may be interested, Bilsthorpe are hosting a free open day this Saturday 20<sup>th</sup> July between 10am and 4pm to celebrate their 10<sup>th</sup> anniversary.
